

ANNUAL REPORT TO MEMBERS

for the

MARITIME KIWISAVER SCHEME

Year ended 31 March 2021

Chairman's Report

I am pleased to present the fifth annual report of the Maritime KiwiSaver Scheme (MKS).

Fund Size and Membership

During the year the size of the Fund increased in size from \$12.9M to \$15.9M. The number of active members decreased slightly from 289 to 282.

Performance

The returns of the Fund for the year have been extraordinary with the balanced portfolio delivering a return of 24.1% and the conservative portfolio delivering a return of 10.6%, in each case net of fees and tax (at 28%). These are exceptional returns and compare with Fund's projected returns going forward net of fees and tax of 1.9% and 0.2% for the balanced and conservative portfolios respectively.

Fund Management and Administration

The Fund continues to be well managed by the Administrator, Melville, Jessup Weaver (MJW).

Administration and fund management fees have continued to decline in line with industry trends. Overall, the expenses ratio is currently 0.66% for the balanced portfolio and 0.58% for the conservative portfolio. These expense ratios compare very favourably with range of expense ratios of KiwiSaver schemes.

Policies and Procedures

The Trustees have revised their policies and procedures as follows:

- the policy in relation to casual waterside workers has been amended by stipulating that a new member must be employed under an agreement which guarantee a minimum number of paid hour so that, in effect, casual workers who aren't guaranteed a minimum number of hours of work can only join the MKS
- in line with the recent decisions of Government to replace conservative funds with balanced funds as the default options for new KiwiSaver members, the Trustees have also decided that new members will be enrolled in the Fund's balanced portfolio although members will still have the option of switching to the conservative portfolio
- in encouraging members to consider the option of deferring their benefits, the Trustees have increased the maximum allowable lump-sum withdrawals per year from 2 to 4, in addition to regular monthly withdrawals.

Governance

During the year, Craig Harrison was appointed Deputy Chairman following Craig's appointment as a Trustee representing the Maritime Union of New Zealand in place of Joe Fleetwood, and Carl Findlay was appointed by MUNZ to replace Jimmy King who stepped down as a trustee. Carl was formerly a trustee of the Waterfront Industry Superannuation Fund.

At the Annual Meeting, Brodie Stevens and Walter Rushbrook were re-appointed as trustees representing seafarer employers and Simon Brodie was re-appointed as the Fund's Licenced Independent Trustee.

Appreciation

The Trustees thank members and participating employers for their continuing support, and the Fund's Administrator (MJW), and other service providers and fund managers for their continuing services to the Fund. Joe Fleetwood's highly valued service as a trustee and deputy chairman is also acknowledged.
